

## Product data sheet MSW Comfort \*

Movable all-glass partition wall system for shop partitions and flexible room design

## AREAS OF APPLICATION

- ightarrow Movable glass partitioning walls
- ightarrow Internal and protected external area
- ightarrow Can be used up to 4000 mm clear height
- ightarrow Can be used up to 1500 mm element width
- ightarrow Can be used for linear and segmented axis profiles

## **PRODUCT FEATURES**

- ightarrow Design lines: Classicline, Pureline and Protectline
- ightarrow Upper and lower continuous horizontal profile offers maximum transparency
- ightarrow Consisting of swing doors and sliding panels
- ightarrow Optional with sliding swing door
- ightarrow Comfort locking mechanism integrated as standard
- ightarrow SmartGuide technology integrated depending on selected stacking area
- ightarrow Panel weight up to 150 kg
- ightarrow ESG and LSG can be used
- ightarrow Glass thickness up to 12.76 mm
- ightarrow Track system with curve technology for easier movement of the elements

## TECHNICAL DATA

Productname	MSW Comfort *
Frameless	Yes
Indoor use	Yes
Outdoor use	Yes
Leaf height (max.)	4000 mm
Leaf width (min.)	700 mm
Leaf width (max.)	1500 mm
Leaf weight with single carriage (max.)	100 kg
Leaf weight with double carriage (max.)	150 kg
Stacking area layout	Parallel, 90°, Special stacking area
Stacking area distribution	one-sided, double-sided
Track geometry	straight, polygonal, bent continuously
Optional floor guide	Yes
Top and bottom sealing brushes	Yes
